

*Dear Mr. Branch,*

*What do I say to the most amazing attorney I've ever known. You have been more than an attorney. You have been a friend, a counselor, and a very good listener. I want to thank you with all my heart for everything you've done for me. I know it was hard at times, even difficult but I think you're the best. My whole world has been turned upside down since the accident and the most painful situation I have ever known. The journey to healing has been very long and the days sure do get long sometimes. Thank you so much for the compassion and time spent with you through my recovery. I pray that I never have to face something like this again but if I do I'll remember you. You have a good heart and that you should treasure. Thank you for everything and I pray you'll have a very Merry Christmas. I made this Peanut Butter Cake for you and your office-----hope you enjoy!!*

*May God Bless,*
