

Taken awhile to open up enough to
spend some of the money. 😊

Thanks for the new money, 32,000.00, hated,
hated to spend it!! Also had taken
awhile for me to give up the
notion of "No Money" that's
sucks! lol Po folks have a hard
time in America.

So, Thanks very much for all the
work you did for me. Tell
Donna, my body's still in pain
& I still curse, however I'm
extremely grateful to you both

Sincerely
